VERMONT BILL TEXT

TITLE: An act relating to the Rozo McLaughlin Farm-to-School Program

VERSION: Adopted
June 07, 2017

SUMMARY: An act relating to the Rozo McLaughlin Farm-to-School Program

TEXT:

No. 63. An act relating to the Rozo McLaughlin Farm-to-School Program.

(S.33)

It is hereby enacted by the General Assembly of the State of Vermont:

Sec. 1. 6 V.S.A. chapter 211[FN1] is amended to read:

CHAPTER 211. THE ROZO MCLAUGHLIN FARM-TO-SCHOOL PROGRAM

§ 4719. PURPOSE AND STATE GOAL

(a) Purpose. It is the purpose of this chapter to establish a farm-to-school program to:

(1) encourage Vermont residents in developing healthy and lifelong habits of eating nutritious local foods;

(2) maximize use by Vermont schools of fresh and locally grown, produced, or processed food;

(3) work with partners to establish a food, farm, and nutrition education program that educates Vermont students regarding healthy eating habits through the use of educational materials, classes, and hands-on techniques that inform students of the connections between farming and the foods that students consume;

(4) increase the size and stability of direct sales markets available to farmers; and

(5) increase participation of Vermont students in child nutrition programs by increasing the selection of available foods.

(b) State Farm-to-School Network goal. It is the goal of the Farm-to-School Program to establish a food system that by 2025:

(1) engages 75 percent of Vermont schools in an integrated food system education program that incorporates community-based learning; and
(2) purchases 50 percent of food from local or regional food sources.

§ 4720. DEFINITIONS

As used in this chapter, "Farm-to-School Program" means an integrated food, farm, and nutrition education program that utilizes community-based learning opportunities to connect schools with nearby farms so that child nutrition programs can provide students with locally produced fresh fruits and vegetables, dairy and protein products, and other nutritious, locally produced foods; help children develop healthy eating habits; provide nutritional and agricultural education in the classroom, cafeteria, and school community; and improve farmers' incomes and direct access to markets.

§ 4721. LOCAL FOODS GRANT PROGRAM

(a) There is created in the Agency of Agriculture, Food and Markets the Rozo McLaughlin Farm-to-School Program to execute, administer, and award local grants for the purpose of helping Vermont schools develop farm-to-school programs that will sustain relationships with local farmers and producers, enrich the educational experience of students, improve the health of Vermont children, and enhance Vermont's agricultural economy.

(b) A school, a school district, a consortium of schools, or a consortium of school districts, or registered or licensed child care providers may apply to the Secretary of Agriculture, Food and Markets for a grant award to:

(1) fund equipment, resources, training, and materials that will help to increase use of local foods in the School Food Service Program child nutrition programs;

(2) fund items, including local farm food products, gardening supplies, field trips to farms, gleaning on farms, and stipends to visiting farmers, that will help teachers educators to use hands-on educational techniques to teach children about nutrition and farm-to-school connections; and

(3) provide professional development and technical assistance, in partnership with the Agency of Education and farm-to-school technical service providers, to help teachers, child nutrition personnel, and members of the farm-to-school community educate students about nutrition and farm-to-school connections and assist schools and licensed or registered child care providers in developing a farm-to-school program.

(4) fund technical assistance or support strategies to increase participation in federal child nutrition programs that increase the viability of sustainable meal programs.

(c) The Secretaries of Agriculture, Food and Markets and of Education and the Commissioner of Health, in consultation with farmers, food service workers child nutrition staff, and educators, and farm-to-school technical service providers jointly shall adopt rules procedures relating to the content of the grant application and the criteria for making awards.

(d) The Secretary shall determine that there is significant interest in the school community before making an award and shall give priority consideration to schools and school districts, and registered or licensed child care providers that are developing farm-to-school connections and education that indicate a willingness to make changes to their child nutrition programs to increase student access and participation and that are making progress toward the implementation of the Vermont nutrition and fitness policy guidelines School Wellness Policy Guidelines developed by the Agency of Agriculture, Food and Markets, the Agency of Education, and the Department of Health, dated November 2005 updated in June 2015 or of the successor of these guidelines.
(e) No award shall be greater than $15,000.00.

§ 4722. FARM ASSISTANCE; SECRETARY OF AGRICULTURE, FOOD AND MARKETS

(a) The Secretary of Agriculture, Food and Markets shall work with existing programs and organizations to develop and implement educational opportunities for farmers to help them increase their markets through selling their products to schools, registered or licensed child care providers, and State government agencies and participating in the federal food commodities program, including the federal Department of Defense Fresh Program, and selling to regulated child care programs participating in the Adult and Child Food Program that operate or participate in child nutrition programs.

(b) For the purposes of this section and section 4723 of this title, the Secretary may provide funds to one or more technical assistance providers to provide farm-to-school education and teacher training to more school districts and to assist the Secretaries of Agriculture, Food and Markets and of Education to carry out farmer and food service worker training. The Secretary of Agriculture, Food and Markets shall work with distributors that sell products to schools, registered or licensed child care providers, and State government agencies to increase the availability of local products.

§ 4723. PROFESSIONAL DEVELOPMENT FOR FOOD SERVICE PERSONNEL

(a) The Secretary of Education, in consultation with the Secretary of Agriculture, Food and Markets, the Commissioner of Health, and farm-to-school organizations and partners, shall offer expanded regional training sessions professional development opportunities for public school food service and child care personnel and child care resource development specialists as funds are made available. Training shall include information about strategies for purchasing, processing, and serving locally grown foods, especially with regard to federal procurement program requirements, as well as information about nutrition, obesity prevention, coping with severe food allergies, universal recycling, and food service operations. The Secretary of Education may use a portion of the funds appropriated for this training session to pay a portion of or all expenses for attendees and to develop manuals or other materials to help in the training.

(b) The Secretary of Education shall train people as funds are made available to, with existing programs and organizations, provide training related to procurement of local food and technical assistance to school food service and child care personnel and use a portion of the funds appropriated for this purpose to enable the trained people to provide technical assistance at the school and school district levels.

(c) Training provided under this section shall promote the policies established in the Vermont nutrition and fitness policy guidelines School Wellness Policy Guidelines developed by the Agencies of Agriculture, Food and Markets and of Education and the Department of Health, dated November 2005 updated in June 2015, or the guidelines' successor.
